myriam@meldiamand.io

Provence, France

Anaphore • Team director

Fall 2006 - Present • Barbentane - France

When it comes to product design, I assume the role of product manager. I conduct user research, define product strategy, do the prototyping and usability testing.

As director I manage the company and work closely with clients.

Shufflebrain • Translator

2019-2020 • San-Francisco, CA

Translation in French of Amy Jo Kim's book: *Game Thinking, innovate smarter & drive deep engagement with design techniques from hit games.*
